This year approximately 5520 calls were received on the toll free number during 1st Feb to 16th April 2012.

Ensuring Smooth Evaluation

- (a) **Chief Nodal Supervisors**: The Board has been appointing school principals as Chief Nodal Supervisors for evaluation purpose in cities where the number of schools is large and four or more Head Examiners are involved in a subject. This ensures proper manageability, supervision and timely completion of evaluation work.
- (b) **Observation Schedules**: To give fair deal to the question papers and redress genuine grievances of the students, observation schedules were sent to all the school principals to record and forward their suggestions within 24 hours of the conduct of examination of concerned subject so that these could be considered by the expert group while preparing the marking schemes.
- (c) **Mandatory evaluation**: Teachers selected for evaluation work were instructed to report on the appointed date and time. Non-release of teachers by any school could lead to withholding the result of the defaulting institution. The Board could also consider and initiate disaffiliation proceedings.
