

NOTIFICATION TO ATTEND MENTORING WORKSHOPS IN SEPTEMBER-OCTOBER, 2011

You are aware that the scheme of Continuous and Comprehensive Evaluation has been implemented successfully in all CBSE affiliated schools. A number of progressive steps have been taken by the Board in the school education system. However, it is only after implementation that the features of the scheme are put to test. It is the inherent strength of the Board that we constantly try to enhance the existing policies and schemes according to the feedback received from all stake-holders i.e. students, teachers and parents.

One of the main features of **Continuous and Comprehensive Evaluation**, the Formative Assessment, has come to occupy centre stage in the classroom transaction of curriculum under CCE. Though not a new concept in educational dynamics, formative assessment has become an integral part of pedagogy that aims to enhance learning. The teacher and learners have to make use of the data generated by various tools and techniques that are employed in the classroom for improving the teaching learning process through diagnosis and remediation. Considering this fact, the Board had brought out a series of Teacher's Manuals on Formative Assessment in Hindi, English, Mathematics, Social-Science and Science for classes IX & X.

The Parent Advocates who had applied earlier & would like to attend an awareness programme may contact the following Venue on the following dates if it is in their city. If they want to register again an e-mail may be sent at cbsecp@gmail.com in this regard.
