- The shortlisted schools were asked to send the 'Evidence of Assessments (EAs)' initially in five subjects: Hindi, English, Mathematics, Science and Social Science comprising of the performance of five students taken from each of the three categories i.e. top, middle and bottom levels of achievements.

The Board finalized software for all schools to download List of Candidates with Roll No from Board's website; compile and upload term wise details in respect of each candidate. Details regarding this were intimated on board's website [www.cbse.nic.in](http://www.cbse.nic.in).

### **Meeting CCE goals**

- The response of students opting out of board exam and taking school based exam has been very encouraging. Out of the total number of 10.6 lakhs class X student about 4.6 lakhs only appeared for X boards in 2011. Which means that approximately 67% of students preferred internal exam, which is also a desirable goal of CCE. Even for the rest of 4.6 lakhs students, most of them were either studying in secondary schools or switching schools or board and therefore had to take external exam compulsorily under CCE scheme.
