## Bachelor foundation year in France

A unique program designed for Indian students who have completed their high school exams and wish to pursue a bachelor's degree in France. Over the course of a year or a semester, students are trained in the French language and academic methodologies, preparing them for their chosen French-taught higher education programs in France.

Your Gateway  
to France

## KEY FEATURES

- ✔ Direct admission into a French-taught undergraduate program upon successful completion of the Classes Internationales program.
- ✔ **No entrance exam is required for admission;** students are evaluated based on their academic background and motivation alone.
- ✔ Absolute beginners in the French language are eligible to apply.
- ✔ Join the program in the fall or spring semester, depending on your level of French.

## WHY ENROLL?

- ✓ The program is supported by the MoU for mutual recognition of academic diplomas.
- ✓ In accordance with the NEP recommendation for 4-year undergraduate programs with multiple exit options in India—yes, you read that right! You don't lose a year.
- ✓ Fees are capped at a very affordable rate, especially at public universities.
- ✓ Complete immersion in French language and culture.
- ✓ Guidance is provided at every step—before, during, and after your studies in France, including for post-study opportunities.
- ✓ Many academic programs are offered in the apprenticeship mode: an excellent opportunity to gain practical work experience with a French company while pursuing your studies.
