Sir/Ma'am,

As the educational landscape continues to evolve in line with the objectives outlined in the National Education Policy (NEP) 2020, the Central Board of Secondary Education (CBSE) is conducting a series of online and offline capacity-building programs, along with engaging webinars and workshops.

Recognizing the crucial role of effective parenting in fostering children's overall development, there is a need for a strong rapport between educational institutions and families to support the well-being of students. With increasing concerns about child safety, emotional well-being, and the evolving dynamics of parent-child relationships, updated parenting methodologies have become more important than ever. Equipping school leaders with the necessary skills to assist parents in guiding their children's academic, social, and emotional growth is essential. Workshops can provide opportunities for learning and connection, empowering stakeholders with the tools and insights needed to navigate today's parenting challenges.

To address these needs, CBSE is organizing an offline workshop entitled “**Empowering Connections: A Workshop on Effective Communication and Collaboration in Parenting and Education**” in collaboration with **Podar Education Network**, for the Principals of CBSE schools in the Mumbai/Thane Region.
