Board has launched the Integrated Payment System (IPS) for making payment(s) of Centre Charge(s) for the examination centres and functionaries involved in the conduct of Supplementary examinations 2023.

As was done in the IPS module for the Main Examinations 2023, the relevant data has been fetched from OECMS portal to IPS module for the Supplementary examinations 2023. The online IPS portal link is available in "Pariksha Sangam" in CBSE website and made operational for the Examination Centres for Supplementary examinations 2023 to check, verify and to freeze the data.

The Board will make payment in an automative mode thereafter into the account of individual. The last date for freezing the data in the IPS portal system is 20 November 2023. It may also be noted that Board has decided to release the payment in a fixed schedule and thus all concerned are requested to follow the directions of the Board strictly.
