**Subject: Observation on Question Paper's 2023-reg**

**Madam/Sir,**

You are aware that the Board Examinations for Class X and XII have started from 15<sup>th</sup> February, 2023. Every year, schools are requested to send their observations and issues if any to the CBSE on the question paper in OECMS.

This year, the following has been observed:-

1. Schools are sending observations to various email ids not meant for the purpose.
2. Observations are sent after several days.
3. Observations sent are vague and not clear. For example- The question is not correct. But what is not correct in question is not mentioned.

To streamline this process, the following is requested: -

- i) Observations should be uploaded on OECMS
- ii) To clarify the issue, if required, details may be sent to the e-mail id- qpobservation@cbse.gov.in.
- iii) Observations should be sent on the same day the examination is conducted.

In case, the observation(s) received are not clear, not received on time, not in compliance with the instructions issued by the CBSE, or vague, no action will be taken by the Board.

Your assistance is requested on time so that appropriate action will be taken by the Board.

Dr. Sanyam Bhardwaj  
(Controller of Examinations)
