CBSE inks MOU with NCAER for Skilling in Schools

New Delhi 15th June 2021

A Memorandum of Understanding was signed today between CBSE and the National Council of Applied Economic Research for a project on Skilling in Schools. NCAER will undertake a research study in two phases to provide appropriate advice to implement skilling in schools in accordance with the National Education Policy 2020.

In phase 1: This study will analyze inputs from CBSE, compare the existing teaching and learning patterns to identify the gaps and issues with the current program being run in CBSE schools and will focus on learning outcomes, relevance of the skills and their impact on pathways to work and future education.

In Phase 2: the study will focus on identifying steps and corrective measures to overcome these constraints and strengthen the factors identified in phase 1 in order to make skilling program in CBSE schools more relevant and impactful. This will include the courses being taught, resources available in schools for effective implementation and a regular monitoring program to begin in recent future.

The MOU was signed in the presence of Smt. Anita Karwal, Secretary (School Education & Literacy), Sh. Praveen Kumar, Secretary (Skill Development and Entrepreneurship) and Sh. Manoj Ahuja Chairman CBSE.
