CBSE National Science Exhibition concludes: Winning Teams Felicitated

CBSE organises Science Exhibition at Regional and National Levels every year. This provides a forum for students to showcase creativity, innovation and inventiveness. This exhibition also provides a medium for popularizing Science and increasing awareness among stakeholders about the close relationship between Science, Technology and Society.

The exhibition resumed after a break of 02 years post COVID. The theme for the Exhibition this year was Technology and Toys.

3169 student teams across the country registered to participate.

436 winning teams from the regional rounds at 35 venues across the country and overseas (01 from Doha) participated at the CBSE National Science Exhibition scheduled from 7th to 9th February, 2023 at Lotus Valley School, Gurugram.

An expert panel of 12 judges from institutes of eminence reviewed each exhibit.

A total of 30 exhibits were finally selected as winners and the teams were awarded a cash prize of Rupees 5,000/- each and a certificate. 14 teams have been awarded in the Junior (6-8) and Senior (9-11) categories.

These winning exhibits will further be nominated as CBSE entries in the Rashtriya Bal Vaigyaanik Pradarshani, to be organized by the National Council of Educational Research and Training (NCERT) and also get a direct entry to participate in the Science Exhibition organized by Institute for Research and Innovation in Science (IRIS) National Science Fair.
