Subject: Release of payments of examinations-2022- reg.

Madam/Sir,

For 2022 examinations, Board had released the payment using the Integrated Payment System (IPS). However, in the following activities complete payment could not be released because of non-compliance of instructions:-

1. Payment of Practical/Project Assessment-2022
2. Payment of Chief Nodal Supervisors-2022 (Evaluation Team)

Details of payments which could not be processed/released through IPS are as given below-

1. In some subjects examiners were appointed by the CBSE, however, the schools had wrongly filled 99999 instead of allotted School Code. In these subjects, batch-id could not be generated in the system. Hence, schools were unable to submit details and payment could not be processed.
2. To some CNS, additional answer books were allotted for assessment. These answer books were over and above actual allotted answer books. As a standard practice, the evaluation lasts for about 10-12 days. In these cases, details of additional answer books and extended days etc. were not accepted and payment could not be processed.
3. In few cases Centre Superintendents were deployed from outstation cities. TA/DA of these Centre Superintendents was not processed through IPS.
4. There might be some more cases, where payment through IPS could not have been processed.
5. The payment of Compartment Examinations 2022 including Centre charges and CNS charges has not been released through IPS.
