## CBSE for Students

### First time facility for Diabetic candidates

- The students diagnosed with Type-I diabetes were for the first time allowed to carry food items inside the examination hall to maintain their sugar levels and avoid medical complications.
- The students could avail this facility on production of appropriate medical certificates.

### Special Concession and facilities were extended to 21 categories of differently able students as defined in the Rights of Persons with Disabilities Act 2016.

- Waiver of Registration and Examination fee was given in case of Visually Impaired students in addition to other facilities.

## Exam related Digital initiatives

### Integration of IT in the examination system for efficiency, transparency and accuracy in the following areas:

- Online application system with e-payment facility for all examinations.
- Using the latitude and longitude information fetched from Geotagged photographs of schools, the **Exam Locator App** was used for the first time in 2017.
- It helped students to quickly know the exam centre by entering Roll number, or School code or Centre code. The students could easily find the address, photograph and geo location of the designated exam centre on the map and could know the route plan.

- Online Practical/project marks uploading.
- Online collection of internal assessment grades.
