

Eco Club formation at Aditya Birla Public school, Veraval

On the occasion of the International Earth Day, the school formed an Eco-Club with an initial membership of about 40 students who were declared the Green Ambassadors. To mark this auspicious day the Green Ambassadors decorated each classroom with floral and leafy saplings planted and adopted by them. They even named the saplings after themselves.

Aditya Birla Public School celebrates Earth Day

Later, the school organized a drawing and poster display competition. The theme for the competition was 'Save Earth, Save Mankind'. Prior to this, the members of the Club organized a tree plantation campaign and planted a

number of herbal and medicinal plants in the school premises. The Eco Club also organized a mass campaign 'Green Veraval, Clean Veraval' which has become a campaign of the whole city, joined by the people from different walks of life and city administration who work hand in hand with the young students. A well planned rain water harvesting system, use of recycled paper in the school, arrangement of separate bins for biodegradable and non degradable wastes are some of the other measures taken by the school to nip the problem of environmental degradation in the bud.

Activities of Eco-Club, Alok Senior Secondary School, Udaipur

Alok Senior Secondary School has been running 'Eco-Club' Since 1990 with a motive of generating awareness among students regarding deteriorating condition of environment, overuse of natural resources, water conservation etc. This club performs two activities in a month such as ban polythene, use paper bags, Tree plantation, cleaning of lakes, Nukkad nataks, Human chain rallies, distribution of pamphlets, distribution of paper and cloth bags. The two important documentary films 'Mr. Polythene Hum Tumse Darte Hain' and 'Ek Shahar Ka Dard' were also directed and telecaste to generate awareness among the masses of Udaipur living in rural and urban areas.

The students have also worked on projects like water conservation, water sampling. Water tank has been constructed on the terrace of the school to promote idea of water harvesting among masses through the most effective tool

*A street play in Progress conducted by
Eco Club of Alok Sr. Sec. School, Udaipur*

of education to channelise the families through individuals. The Eco-Club also encourages tree plantation by distributing small shrubs to the students to plant them outside their house, to water and take care of it regularly. The follow-up of this drive is also recorded by the incharge teachers. This programme is called '**Vruksh-Mitra Yojana**' (befriend-the plants). Alok Eco-Club has a series of achievements at state, district and national level to its credit. Director of the club has been acknowledged as the president of '**Aravali Paryavaran and Jheel Sanrakshan Mahasangh, Udaipur**' and President of '**Citizen society of Environmental Awareness**'.

Biogas Plant by Eco Club of Shri L.G. Haria Multipurpose School, Dunga

*Eco Club members presenting the Biogas plant constructed at
Shri L.G. Haria Multi purpose School, Dunga*

Eco club members of the school along with the assistance of teachers constructed a Bio-gas plant and installed it near the school kitchen. This plant consists of small barrel in which Bio-waste is collected. The students bring the waste from their homes and feed the plant everyday. Students of XI standard are given the duty for the proper maintenance of the plant.

Dr. A. P. J. Abdul Kalam's interaction with Eco-Club members of JNV Kagal

*Dr. A.P.J. Abdul Kalam interacting with
Eco Club members at J.N.V. Kagal*

Dr. A. P. J. Abdul Kalam had an interaction with Eco-Club members of JNV Kagal, at Social Forestry, Central Nursery, Kagal on 25th February 2010 at 10.00 am. He planted a Peepal sapling in the presence of 40 Student members of the Eco Club and the teachers. The short interaction gave a new vision to the students of the National Green Corps and every one present there.

Eco-Club activities at Abhinav Public School, Pitampura

Tree Plantation drive was launched in the school, under the "**Each one plant one**" programme on April 22, 2010. Many activities were held at this occasion including placards depicting hazards of environmental pollution,

drawing and painting competition on the theme “Green Earth, Clean Earth” and poem recitation showing the concern of pollution. The celebration was a part of the school’s efforts to sensitize the students about their responsibilities towards the environment. The Principal administered an oath to the members of the Eco-Club to plant trees and to preserve and protect the environment. She also stressed the need to maintain pollution free environment to make the atmosphere conducive for growing plants. The highlight of the programme was a play depicting the plight of farmers lured by the greedy builders to sell off their land.

Rally by teachers and students of Udaya Public School

Students and teachers of Udaya Public School under the banner of ECO Club of Udaya (Promoted by the UP pollution Control Board, Lucknow) organized a huge rally to make aware the students and the people about the importance of water. The rally was flagged off by the principal of The Udaya Public School. The rally was to spread the message that water is a very precious resource.

Rally organized by Eco Club of Udaya Public School, Faizabad.

Inauguration of CCE Workshop organised by SSC, Malabar Region

Aamir Khan becomes Brand Ambassador for National Sanitation Initiative

The thinking actor Aamir Khan was appointed as Sanitation brand ambassador on 27th April 2010 to promote National Sanitation Initiative a collaborative effort of CBSE, Ministry of Urban Development and GTZ.

Memento being presented to Aamir Khan by H.R.D Minister Kapil Sibal

"We are happy to have Aamir as our brand ambassador. We hope, he will help this scheme become a success,". The Hon'ble Human Resource Development (HRD) Minister Kapil Sibal said after

Release of Souvenir at the function to launch National School Sanitation Initiative

launching the National School Sanitation Initiative at Vigyan Bhavan in New Delhi.

He said through movies the actor had created public opinion related to education and his involvement would help the cause of sanitation.

Anshu Vaish, Secretary, Department of School Education and Literacy, Ministry of HRD, said at least 45 per cent of Indian schools do not have separate toilets for girls. "This is impacting girl students' admission and we have a long way to go in improving this situation." The Hon'ble Urban Development Minister S Jaipal Reddy, who was present at the event, said that safe drinking water and sanitation were part of the millennium development goals and the government was striving to improve the situation.

"With this initiative, we will create awareness about sanitation at the school level. Students are change agents and we are targeting them," Reddy said.

Workshop on Monitoring and Mentoring of CCE

Chairman CBSE addressing the Participants in Workshop on Monitoring and Mentoring of CCE at Jaipur

A one day workshop for Monitoring and Mentoring of CCE was organized by the CBSE on the 13th of March, 2010 in the campus of IIM, Jaipur. Dr. Ashok Gupta, a member of the governing body of CBSE and Principal of India International School, Jaipur played host and welcomed the principals of various schools across Rajasthan, Madhya Pradesh, and Gujarat. An enthusiastic class of approximately 100 principals attended the workshop. The resource persons were Dr. Sadhana Parashar – Head (Innovation and Research) CBSE, Mr.P.Mani- E.O. CBSE, Mrs. Neelima Sharma, Ex E.O. Directorate of Education,

A View of Audience at Mentoring and Monitoring Workshop at Jaipur

Delhi and Dr. Srijata Das E.O. CBSE. The main objective of the workshop was to initiate and further strengthen the CCE programme in various educational organizations. In view of the above the board identified certain schools that would take the lead and see to it that CCE is inculcated in the true sense of the word.

Orientation programme for CBSE teachers on Media Studies held at Navy Children School, New Delhi

In pursuance of calendar of activities regarding the implementation of newly launched course Mass Media (both academic and vocational) an orientation programme was organized on 3rd and 4th May 2010 at Navy Children School, Satya Marg, Chankyapuri, New Delhi. Teachers from 21 schools attended this workshop.

The programme commenced at 11.00 am on 3rd May 2010 and Prof. Anil Zankar, WWI, Mumbai explained the detailed syllabus/ curriculum of Mass Media studies (both academic and vocational). The scheme of studies was explained thoroughly to all the participants by Sh. P.V. Sai Ranga Rao, Education Officer. There was a lot of interaction between participants and resource persons. The post lunch session was conducted by group formation with the participants. There were five groups for five chapters and suggested the teaching methodology and approach towards the Curriculum. A fruitful interaction was held among the participants and subsequently they were asked to prepare presentation on each chapter.

The second day (4th May 2010) proceedings commenced at 9.30 am with the presentation of reports by concerned group. Each group presented the strategy to teach particular concept. Each presentation was followed by feed back from the participants.

Training programmes through Satellite Interactive Terminal at R.O Ajmer

CBSE Regional office Ajmer has one of the Satellite Interactive terminals of EDUSAT maintained by the Board. Through the teaching End at Central Institute of Educational Technology Delhi the following training programmes were organized.

(i) Primary Teachers Orientation in the subject of Mathematics:

On 19th February 2010 Primary Teachers in the District were called to attend a Videoconferencing session from CIET on teaching Mathematics at Primary Level. The objectives of this programme were

1. To orient teachers of Mathematics on teaching of various topics at Primary Level
2. To acquaint the participants about strategies of teaching Mathematics as per the guidelines of NCF -2005.
3. To enrich the participants about the teaching strategies for activity based teaching.
4. To demonstrate the use of teaching aids for teaching various topics of Mathematics.

Primary teachers from Ajmer district participated in this interactive session with lot of enthusiasm and zeal. Dr. A.K. Rajput, Head MRED at CIET coordinated the programme from CIET studio, Delhi.

(ii) Workshop on Use of Puppets in Education

Three days training programme on Puppets in Education for Primary teachers was organized during 8-10 March 2010 at

Regional Office. This was carried out through teleconferencing mode using the Satellite Interactive Terminal of EDUSAT installed at the Regional office. The objectives of the programme were as under:

1. To promote the use of Puppets in teaching learning in Schools.
2. To use locally available material in puppet making.
3. To develop scripts, puppets and manipulation skills through participants activity.

Teachers from the schools in Ajmer district participated in this innovative programme. Mr.Kanaram, an expert puppeteer acted as a local resource person who supported the participants during the programme. The three day interactive sessions covered script writing, puppet making and presentation. Teachers appreciated the use of puppets in day to day classroom activities and also presented live puppets shows to the audience on the last day.

*A presentation by the Resource Person
Mr. Kanaram at the workshop*

CCE Monitoring and Mentoring Programme at Guwahati

A one day workshop for 'Mentoring and Monitoring' of CCE was conducted at Maharshi

Vidya Mandir, Barsajai Lalmati, Guwahati on 17th April 2010. The entire programme was organized under the guidance and supervision of CBSE Regional Office Guwahati.

Honorable Chairman CBSE, Mr. Vineet Joshi inaugurated the programme at 10:30 a.m. by lighting the traditional lamp. The resource persons of the day were Dr. Sadhana Parashar, Head (Innovation and Research), Assistant Secretary, CBSE Mr. Sanjeeb Das, Regional Director M.V.M. Group of Schools Mr. T.P. Bhattacharya and Ms. Archana Thakur A.E.O, CBSE.

The workshop organized exclusively for principals was attended by more than 30 Principals.

All participants went back with a resolution to carry out the task to set for them with sufficient supportive instruction and materials supplied by them.

Chairman CBSE addressing the participants at Mentoring & Monitoring Workshop held in Guwahati

The sharing of teaching experiences and diverse classroom practices can provide opportunities for an academic discourse to develop within schools as teachers interact with and learn from each other. This will also encourage new ideas and facilitate innovation and experimentation.

NCF 2005

SPORTS ARENA

Participants are being introduced before the commencement of Inter House Cricket tournament at D.L.D.A.V School, Pitampura

Inter House Cricket Tournament at D.L.D.A.V, Pitampura

D.L.D.A.V, Pitampura, organized Inter House Cricket tournament for both girls and boys. Students of class XII represented the five House teams namely Dignity, Freedom, Modesty, Courage and Enterprise. Students displayed qualities of sportsmanship, cooperation and team spirit. The winners in the matches were Dignity (Boys) and Modesty (Girls). Principal, Mrs. Anita Wadehra, congratulated the PETs for organizing the tournament and the House Teachers and students for their enthusiastic participation.

Champions do not become champions when they win the event, but in the hours, weeks, months and years they spend preparing for it. The victorious performance itself is merely the demonstration of their championship character.

~ T. Alan Armstrong

BEST PRACTICES

Empowering Women through Social Equity Programme at Laxman Public School, New Delhi

As a part of social responsibility and a step towards social equity, the Laxman Public school works towards the betterment of fellow human beings by conducting various programmes Under Each one teach one Programme. 6. Books Fair for the children of the community.

Achievements

1. For seventh consecutive year the school has been awarded Sufia Ahnaku Trophy for making maximum number of literates.
2. Rotary club and UNICEF award for doing excellent community work.

Campus Care Force at M.E.S. Indian Shool, Doha –Qatar

Introduction:

Campus Care Force is a Group of students with a Guide Teacher Mrs. Sasthaa Mujibullah formed to bring changes in the mind set of students, teachers and staff and bring awareness regarding the healthy and clean environment in the School Campus.

Objectives:

- To bring awareness among students to keep their surroundings clean and tidy.
- To make the students to dispose the waste effectively in the class room and out side the class room.

Campus Care Force Representatives Receiving Green Award

- To make the students realize the importance of cleaner and healthier environment.
- To educate the community in general about the clean environment.
- To grow more plants in the campus to make the environment green and caring of plants.

Present Operations

- CCF group is functioning in Boys, Girls, Kerala Board, Junior and K.G Sections with around 1000 students.
- **Functioning of CCF group :** Two students per division of each class from K.G II to class XII are selected for the group of CCF based on their academic performance, behavior and leadership qualities. In addition to these students from every section are appointed as Secretary and Assistant Secretary of CCF. Students of Grades VIII– XII are allotted one area such as assembly ground, canteen, football ground, staircase and corridors to take care during the break hours. The students on duty have to see that the area is kept clean and also guide and instruct the other students who litter these areas not to do the same and also to use the trash bins kept near. CCF members are instructed to maintain environment of their own classes and surroundings.
- Each section is controlled by a coordinator who in turn is guided by the chief co-ordinator Mrs. Sasthaa Mujibullah.
- To bring changes in the mind framework of students, posters related to cleanliness are displayed inside and outside the classroom.
- All the CCF leaders and representatives

are provided with special badges for their identity.

- In order to encourage the CCF School Appointees, certificates are given for every CCF student at the end of the Academic year and also Best two CCF students are given special certificates.

Changes brought

- The entire campus remains clean as it is till all the students leave the school.
- Each and every student started realizing the importance of maintaining cleanliness.
- All the classroom cleanliness showed a lot of improvement compared to earlier situations.

केन्द्रीय माध्यमिक शिक्षा बोर्ड (मुख्यालय) हिन्दी कार्यशाला का आयोजन - एक रिपोर्ट

राजभाषा विभाग, गृह मंत्रालय, भारत सरकार के अनुदेशों के अनुसार केन्द्रीय माध्यमिक शिक्षा बोर्ड, दिल्ली में बोर्ड के अधिकारियों के लिए दिनांक 23.06.2010 से 24.06.2010 तक 02 दिवसीय हिन्दी कार्यशाला का आयोजन किया गया। इस कार्यशाला में 20 अधिकारी शामिल हुए। कार्यशाला का उद्घाटन श्री शशि भूषण, निदेशक (एड्यूसेट), द्वारा किया गया। श्री धर्म सिंह, हिन्दी अधिकारी ने कार्यशाला में उपस्थित सभी अधिकारियों का स्वागत किया तथा हिन्दी कार्यशाला के आयोजन की महत्ता के बारे में अवगत कराया। श्री शशि भूषण, (एड्यूसेट) ने अपने अध्यक्षीय संबोधन में बताया कि हिन्दी भाषा का ज्ञान होने के बाद भी हमें हिन्दी लिखने में कठिनाई आती है। इस कठिनाई को दूर करने के लिए हिन्दी में लिखने का अभ्यास करना आवश्यक है। इस कार्यशाला का आयोजन करके बोर्ड ने आपको हिन्दी में काम करने की झिझक

को दूर करने का एक सुअवसर दिया है। आप इसका पूरा-पूरा लाभ उठाएं। कार्यशाला में प्रशिक्षण देने वाले वक्ताओं से हिन्दी में कार्य करने में आने वाली कठिनाईयों का समाधान कराएं।

कार्यशाला में व्याख्यान देने के लिए अतिथि वक्ताओं के रूप में आमंत्रित डा. बिचार दास, भूतपूर्व निदेशक (केन्द्रीय अनुवादक ब्यूरो) नई दिल्ली तथा श्री एम.एस. कठैत पूर्व उप निदेशक, केन्द्रीय हिन्दी प्रशिक्षण संस्थान, गृह मंत्रालय, राजभाषा विभाग नई दिल्ली ने 'राजभाषा की सवैधानिक स्थिति एवं सरकार की राजभाषा नीति' एवं 'कार्यालयों में राजभाषा नीति को कार्यान्वयन में अधिकारियों की भूमिका' पर प्रकाश डाला तथा कार्यशाला में भाग लेने वाले अधिकारियों की शंकाओं का समाधान किया। कार्यशाला की समाप्ति पर अधिकारियों को वैज्ञानिक तथा तकनीकी शब्दावली आयोग, मानव संसाधन विकास मंत्रालय, भारत सरकार द्वारा प्रकाशित प्रशासनिक शब्दावली (अंग्रेजी-हिन्दी) प्रदान की गई।

हिन्दी कार्यशाला में उपस्थित अधिकारिगण
