F.33/CBSE/PRO/SGAT/2010

06.01.2010

Sub: Inviting limited Quotations

Sir,

CBSE is in the process of data analysis for certain Aptitude Tests and Interest Inventory. The raw scores of the students (approximately Seven to Eight Thousands) are available for testing the Validity and Reliability of the items and devising a Standardized test.

The agency must have sufficient experience of conducting similar specialized work and should be based in Delhi or NCR region.

The work requires confidentiality and strict time schedules. The sample of the work can be seen at the office of the undersigned by an authorized representative only. Those interested may send the rates and the time required for the above job in sealed cover by 15.01.2010 by 5.PM.
